

Acrylic Enclosure for Relay Boards

Product Description

The 3821 Enclosure is designed to protect the Rev 1 version of the [3052](#) or the Rev 0 version of the [3054](#) relay board while giving you access to all terminals and connectors through openings in the enclosure.

You can plug and unplug cables, connect and disconnect devices, without having to open the enclosure.

Note: The Phidget board is not included with the enclosure and must be purchased separately.

Package Includes

- 6 clear acrylic pieces
- Mounting Hardware (Nuts, bolts, spacers)

Required Tools

- Small Phillips screwdriver

Warning

Be careful when tightening the mounting screws as too much tension could crack the acrylic.
