# **Acrylic Enclosure for the 1014**

### **Product Description**

The 3802 Enclosure is designed to protect the Rev 2 version of the 1014- PhidgetInterfaceKit 0/0/4 while giving you access to all terminals and connectors through openings in the enclosure.

You can plug and unplug cables, connect and disconnect devices, without having to open the enclosure.

**Note:** The Phidget board is not included with the enclosure and must be purchased separately.
